

**Kari Nations**

University of Texas at Austin, Dell Medical School, Neurology

**Bio:**

Kari Nations is a licensed clinical psychologist with 30 years of experience in the pharmaceutical industry. During that period, she accumulated significant breadth and depth of experience serving in multiple operational and scientific leadership roles in both CROs and pharmaceutical companies. She retired in 2019 from Syneos Health as Senior Vice President, CNS Clinical Development, and has recently returned to academia to do clinical work and to steward a portfolio of multiple sclerosis projects at Dell Medical School in Austin. Dr. Nations continues to work with colleagues in pharma as a drug development consultant.
