H. Lundbeck A/S

Bio:

I was trained as a pharmacist at the University of Groningen in The Netherlands, and since worked for over 30 years within all areas of clinical development within the CNS area, in a clinical research organization and pharmaceutical companies. Specific fields of experience are Alzheimer's Disease, Major Depressive Disorders, Post-Traumatic Stress Disorder, Schizophrenia and other psychiatric disorders. I am Chief Scientific Specialist at H. Lundbeck A/S and working in global clinical development as Global Clinical Lead in Psychiatry. I have been involved in clinical trials and regulatory submissions in USA, Europe and many other countries around the world.

I am member of the Executive Committee of ISCTM and member of ASCP and ECNP. I am also company representative member of the Clinical Research Expert Group (CREG) of the European Federation of Pharmaceutical Industry Associations (EFPIA). As a guest lecturer at the Universities of Copenhagen and Aarhus I am regularly in contact with students.
