

# Welcome

---

## International Society for CNS Clinical Trials and Methodology

### ISCTM 2019 Autumn Conference

includes

### Joint Day with ECNP

### 5-7 September 2019 Copenhagen, Denmark

# Mission Statement

The International Society for CNS Clinical Trials and Methodology (ISCTM) is a multi-disciplinary independent organization, devoted to promoting advances that address strategic clinical, regulatory, methodological and policy challenges that arise in the development and use of CNS therapeutic agents. This work is accomplished through partnership with persons in academia, industry, government, policy-making, and the public.

# ISCTM Culture

- Many stakeholders
  - Drug Developers, Academic Investigators, Statisticians, Regulators, Clinicians, Policy-makers, Public
- Non-commercial, non-promotional
- Pre-competitive and/or collaborative
- Ample time for discussions
- Member engagement and active participation

# Ongoing Activities of the Society

---

- 13 Active Working Groups
- 9 manuscripts currently in development
- Consensus building
- Session development
- Collaborations with other organizations (e.g. ECNP, ISTAART NPS PIA , ASCP)
